

RTV C45

1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND THE COMPANY

Product Name: RTV C45
Chemical Name:
Supplier: Jacobson Chemicals Ltd
 Unit 4
 Newman Lane Industrial Estate
 Alton, Hants
 GU34 2QR
Telephone: 01420 86934
Fax: 01420 549574
E-mail: sales@jacobsonchemicals.co.uk

2. COMPOSITION

Substance: An un-catalysed silicone rubber compound based on a blend of polydimethylsiloxane polymers, fillers and a cross linking agent.

Substance Name:
EC Index No:
CAS Number:
EEC Number:

<u>Constituents</u>	<u>Range</u>	<u>Haz Synt</u>	<u>Risk</u>
No hazardous ingredients.			

3. HAZARD IDENTIFICATION

The most important hazards are: N/a
Inhalation: N/a
Skin Contact: N/a
Eye Contact: N/a
Ingestion: N/a

4. FIRST AID MEASURES

Immediate medical attention: Yes
Professional assistance from physician required? Yes
Inhalation: Remove from exposure, rest and keep warm. Get medical attention if any discomfort continues.
Skin Contact: Wash skin thoroughly with soap and water. Get medical attention if irritation persists after washing.
Eye Contact: Wash affected eye(s) with clean, cold water or eyewash for at least 15 minutes. Seek medical attention immediately.
Ingestion: Do not induce vomiting. Seek medical attention immediately and show this safety data sheet.

Information contained in this document is the result of careful tests carried out objectively. It has been produced to aid the Buyer, but without implying any commitment on our part. The Buyer shall remain responsible for satisfying himself that the products as supplied by us are suitable for his intended purpose. Since we cannot control the application, process, or use of these products, we cannot accept responsibility therefore.

RTV C45

5. FIRE-FIGHTING MEASURES

Suitable extinguishing media:	Carbon dioxide, foam, dry chemical powder or fine water spray.
Special protective equipment:	Suitable respiratory equipment.
Exposure hazards:	Silicon dioxide is produced during combustion along with the normal oxidation products of carbon compounds.

6. ACCIDENTAL RELEASE MEASURES

This product will spread slowly over surfaces if spilled. Should the container be ruptured, spillages should be contained and absorbed onto sand, earth, sawdust or commercial oil absorbent and swept into containers for disposal.

7. HANDLING & STORAGE

Handling:	N/a
Storage:	The product should be kept in closed containers to prevent contamination.

8. EXPOSURE CONTROLS

Take measures to prevent:	Ensure adequate ventilation.
Exposure to control limits:	N/a
Respiratory protection:	Ensure adequate ventilation when handling the blend with catalyst or auxiliaries.
Hand Protection:	Gloves recommended.
Eye Protection:	Protective eyewear recommended for use with any industrial product.
Skin Protection:	Gloves recommended.

9. PHYSICAL & CHEMICAL PROPERTIES

Appearance:	Viscous liquid
Odour:	Slight characteristic
Colour:	Red
Flash Point:	Greater than 200°C
Flammability:	Not classified as flammable.
Relative Density:	Approximately 1.40
Viscosity at 25°C, mm²s:	Approximately 35,000
Dispersability:	Dispersible in aromatic and chlorinated hydrocarbon solvents. Insoluble in water and alcohols.

Information contained in this document is the result of careful tests carried out objectively. It has been produced to aid the Buyer, but without implying any commitment on our part. The Buyer shall remain responsible for satisfying himself that the products as supplied by us are suitable for his intended purpose. Since we cannot control the application, process, or use of these products, we cannot accept responsibility therefore.

RTV C45

10. STABILITY & REACTIVITY

Conditions to avoid:	None known.
Hazardous decomposition products:	Carbon monoxide, carbon dioxide, silicon dioxide.
Incompatibility (Materials to avoid):	Water

11. TOXICOLOGICAL INFORMATION

Acute oral LD50 mg/kg (calculated)

12. ECOLOGICAL INFORMATION

Possible effects:	
Behaviour:	
Environmental fate:	Not known to be an environmental problem.

13. DISPOSAL CONSIDERATIONS

Likely residues / waste products:	
Safe handling of and residues/waste products:	Disposal is normally achieved by burial on an approved site or by burning under controlled conditions. Customers outside of U.K. legislation should consult their own local authorities.

14. TRANSPORT INFORMATION

Special carriage precautions in carriage:	None
Classification data:	None
UN Number:	None
Proper Shipping Name:	None
IMO - Sea:	None
ICAO - Air:	None
ADR - Road:	None
Transport Category:	None
Limited Quantity Size:	None
Additional Data:	Non hazardous for transport.

15. REGULATORY INFORMATION

Supply label information:	None
Hazard Symbol:	None
Risk Phrases:	None
Safety Phrases:	None

Information contained in this document is the result of careful tests carried out objectively. It has been produced to aid the Buyer, but without implying any commitment on our part. The Buyer shall remain responsible for satisfying himself that the products as supplied by us are suitable for his intended purpose. Since we cannot control the application, process, or use of these products, we cannot accept responsibility therefore.
